

Quarterback Training

ASAP is now offering a workout program specific to quarterbacks. Former NFL quarterback and ASAP trainer Tyler Sheehan has developed a program that combines speed and agility with quarterback skills training.

This program will:

- Improve footwork
- Improve speed and agility
- Improve throwing mechanics
- Teach the athlete to read the defense
- Teach the athlete to watch film
- Condition the athlete

Tyler's Bio

Signed as a Free agent with the NFL's Houston Texans in 2009... Played at Bowling Green State University from 2006-2009... Attended LaSalle High school from 2002-2006...
